2012-2013 ANNUAL REPORT
2013-2014 ANNUAL REPORT

WYTHE BLAND FOUNDATION HISTORY

Wythe-Bland Foundation was formerly known as "Wythe County Community Hospital Foundation" (WCCH Foundation) and originally formed in 1991 to support the charitable needs of Wythe County Community Hospital. On May 31, 2005, the Hospital leased its buildings and related real property and sold substantially all of its other assets to a subsidiary of LifePoint Hospitals, Inc. The proceeds from the pre-paid lease, asset sale, and existing WCCH Foundation funds were transferred to establish the new Foundation. The Foundation was re-organized on June 1, 2005 and is no longer affiliated with the Hospital. It is recognized as a Conversion Foundation, sometimes referred to as a Health Legacy Foundation. In 2010 the Foundation changed its name from Wythe Bland Community Foundation to Wythe Bland Foundation. This change was a result of the IRS determination that the organization is recognized as a Private Foundation since its only form of revenue is investment income. Grants are awarded twice each year to qualified applicants that provide benefits and services that improve health, education and welfare of the citizens of Wythe and Bland Counties.

The Foundation is a Virginia non-stock corporation exempt from income taxation under Section 501(C) (3) of the Internal Revenue Code. It is managed by a Board of 13 members who are community leaders residing in Wythe and Bland Counties, Virginia. Board members serve without compensation.

MESSAGE TO THE WYTHE BLAND COMMUNITY

The Wythe Bland Foundation Board of Directors is committed to its mission to improve the life of the citizens of Wythe and Bland Counties by investing in programs that provide health, education and welfare services to the community. To date, the Foundation has provided over 232 grants totaling $17,849,377 to qualified governmental entities and 501 (c) (3) organizations serving its service area. The grants are awarded twice a year with February 1 and August 1 grant application deadlines. Announcements of grants are made in April and October of each year. Copies of the grant guidelines can be obtained from the Foundation's website or office. The website address is: wbfoundation.org.

The Foundation provides funding for the Wytheville Community College Scholarship Program. This scholarship allows graduates from Wythe and Bland County Schools the opportunity to attend the College and receive an Associates Degree with all tuition paid. Since its start, the fall of 2007, over 702 students have taken advantage of this program for a total investment of $2,049,000 in funds. Each student is required to provide 40 hours of volunteer community service as a condition of the scholarship. This equates to over 28,080 hours of potential service that has been provided by those students since 2007.

Making a difference in the community which we live is at the core focus of the Foundation's mission. Each investment that is made to the eligible applicants is reviewed for the impact it will have on the citizens of the service region. The Board takes its fiduciary responsibilities very seriously and requires each recipient of grant dollars to provide an Outcome and Accountability Report to ensure funds are used appropriately. The report is a tool to determine the impacts that the Foundation's community investments are providing and highlights areas that may need more or less funds in the future.

Stephen D. Bear, Chairman
Travis D. Jackson, Executive Director

MISSION STATEMENT

The Foundation provides opportunities to improve the health, education, and welfare of the citizens of Wythe and Bland Counties with an emphasis on health care needs.
